# Foreword

"There is the place I am in now,
Where I look back and look ahead,
And dream and wonder."

Carl Sandburg

From the shores of the past to the halls of the present, the Lighthouse of this year's Shorian beckons symbolically to you to wander through the following pages and to dream and wonder of all that has passed and of all that will come to pass.

# Dedication

One bright beam from our lighthouse spotlights the achievements of two teachers that we will long hold in our memories after our high school days are over. These two teachers have, through his efforts in chemistry and the classes she conducts in American History and World History, shown their wealth of knowledge, understanding, and deep concern for the students at Lake Shore. Through the Model United Nations, of which she is a sponsor, and their combined efforts in the Pep Club, they have greatly helped promote school and class spirit, while giving a boost to everyone's morale. Just as the lighthouse signifies fortitude, dependability, and inspiration to lost lonely ships at sea, so too, have these two individuals inspired the students at Lake Shore who, too often, seem to float in a sea of confusion and uncertainty during high school. The class of 1964 therefore dedicates this yearbook to Mr. and Mrs. Michael J. Charbonneau.

# Registration

"Where to now?" This was heard more than once as Lake Shore students encountered a new type of registration. For the first time they went through a roped-off course to arrange their various and numerous classes.

The idea was very similar to college registration. Though it may have been difficult, the students tackled it with determination as is shown by these pictures.

# Class of 1967

J. Anderson, M. Maison, L. Allor, B. Hart

Being new to the high school, we started out our year by trying to adjust to the wider halls, bigger lockers and the extra time between classes.

We then elected our class officers and our steering committee which planned the program for us to direct cars at Homecoming.

As the year progressed, we gave a dance in April whose theme coincided with the oncoming of Spring.

After a somewhat inactive year, as is customary for all freshmen, we look forward to our next year as sophomores, for there is the annual Christmas dance and the ordering of our class rings that we receive in our junior year. These rings seem to give one prestige and serve as a well-known sign to let others realize that the owner soon will be entering his last year of high school as a member of the graduating Class of 1967.

# Class of 1966

C. Bess, D. Tolias, S. Spencer, R. Mardell

We had a very inactive freshman year, but this last year we have tried to make up for our lack of class activities.

We made a float for Homecoming entitled "Slaughter 'em!" and our efforts at making the hundreds of tissue carnations for our pink pig were rewarded, because we won second prize.

We had a bake sale where cakes, cookies and pies were sold to teachers, parents and any other passers-by who were strolling from the gym to the classrooms for a brief tour.

We also sponsored the Christmas Dance, as does every Sophomore class, and called it the "Christmas Fantasy." As a last attempt at increasing the size of our somewhat depleted treasury, we sold ball-points pens, in our school colors, with this year's basketball schedule printed on them.

As we reach the end of our sophomore year, we look back and suddenly we realize that half of our high school days are over. Before we can again stop to consider how much time has passed, the class of '66 will be on the top at Lake Shore.

B. Bowman, R. Stanziano, B. Holmes, D. Johnson

On our first day at Lake Shore High School, three long years ago, we looked at the seniors and juniors with envy because of their class rings, thinking that three years was such a long time. But after our freshman year and our sweatshirts, our sophomore year and our Christmas dance entitled "Silver Bells" and our not-too-successful skating party, we've finally made the second ranking in the school with high hopes and big dreams for next year.

We ordered our class rings in our sophomore year and broke precedence because our rings are silver with red stones and and resemble a college ring somewhat.

In our junior year, we decorated the gym in green and silver for the homecoming dance entitled "Emerald Ecstasy." We also ordered our silver class pins and are now planning for the biggest event of our school year–the Junior–Senior Prom, with the hope that next year, we may receive as lovely a farewell from high school as we extend to the Class of '64.

Class Motto: "I am part of all that I have met."

In our freshman year, our main objective was getting adjusted to our new schedules, teachers, and most of all, the upperclassmen. We elected class officers and a steering committee. During the annual Homecoming activities, we had charge of the concession for both the game and the semi-formal dance in the evening. On March 6, 1961, we presented an eighth grade orientation, where the eighth grade students attended an evening program to obtain information concerning high school classes. We held the last dance of the year, which was a Sadie Hawkins dance, and all the girls displayed the fine stock of boys they had somehow managed to catch.

By the beginning of our sophomore year, we had adjusted ourselves to being high school students and set out on our first real project, the decorating of the football field for the Homecoming game. In December, we presented the annual Christmas dance, titled, "Christmas Fantasy," and featured a band called the "Crestones". Red and silver foil was used for the windows. To add to the Yuletide spirit, a Christmas tree sparkled in the light of a revolving lamp at the front of the Cafeteria. We joined in a new fad and we ordered our red-on-white sweatshirts in the spring. We then ordered our class rings and looked back over our shoulders to suddenly realize that half of our high school days were over.

Not until October of 1962, was it officially known that we were juniors, for at that time, amid the sparkling of jewels and gold, we wore our new class rings proudly. It was certainly our year for basketball, because seven of our boys were playing for the big varsity team, and with some aid from the seniors, led our school to the championship. While the seniors were recalling four years of memories, we were working with a passion to organize and present the prom at Hillcrest Country Club, the final event in our junior year.

As we returned to high school in September of 1963, we were occupied by towering over the juniors and sophomores and trying to keep those freshmen in line. For Homecoming our efforts at making the hundreds of tissue flowers for our float were justly rewarded by winning first prize in the float contest. A happy event of our year being "Senior Slop Day," we bore more resemblance to Halloween goblins, than to students taking advantage of a day for relaxation and comfort. As the year progressed, we set our minds to the fact that tradition ruled us, and had our senior pictures taken. We worked like beavers to get those term papers in for government and economics and had a brief rest over the Christmas Holidays, but it was "back to the old grind" on January 2, 1964. Our football team perhaps wasn't the best, but our basketball team proved to be the greatest. We were first place in the Bi-County League and surged forward to win the district championship. As we go to press our boys will be meeting Warren in Regional competition. We have reached great heights. As April appeared before us, we finally grasped the idea that in only a few weeks we would be taking our final exams and would soon be walking up the aisle to receive our diplomas, never again to feel a part of the student body of the school we had come to know so well during the past for years. With the sad strains of "Pomp and Circumstance" ringing in our ears, we still can remember all of the wonderful years we have spent in the halls of Lake Shore, and will keep these for memories forever in our hears as we surge forward to our goals in life.

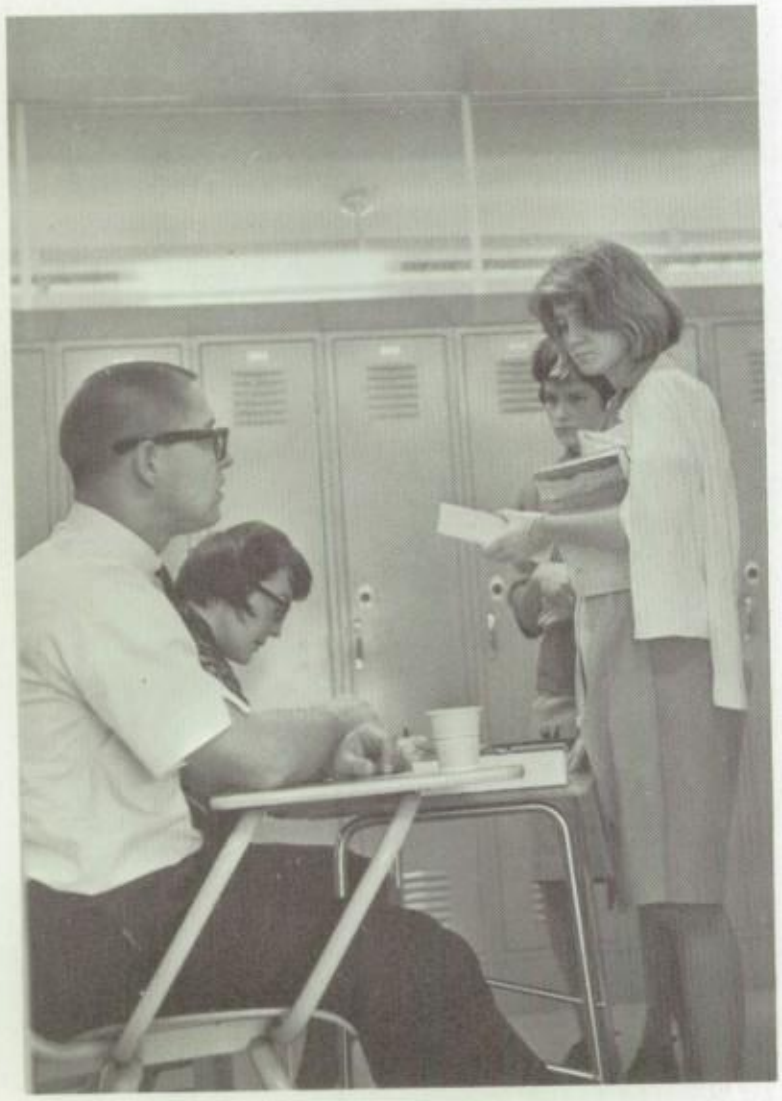
# From Another Port

Lake Shore opened up a whole new chapter in its history. This year Lake Shore extended its shores to Rosario, Argentina. Georgina Tietjen has become a welcome addition to our school and will always be remembered as having brightened the halls of Lake Shore and opened a new tradition for our school.

Her warm smile and glowing personality have given Lake Shore a new form of education, personifying the ideal relationship between two foreign neighbors.

Georgina will always remember her first football game and basketball game, her first sight of snow and especially her first peanut butter and jelly sandwich.



# Twilight Time

The social highlight of any year is the Prom and last year's Junior-Senior Prom, "Twilight Time," was no exception. Those who attended the Prom at the Hillcrest Country Club were genuinely pleased with the friendly and relaxed atmosphere aided by the music provided by the Ray Brandt Band. Long evening gowns and colorful dinner jackets were prevalent on the evening of the Prom, May 31. A warm congenial atmosphere prevailed right up until the latter part of the evening when the school song was sung. It was indeed a gala finale for a year that had been exciting and eventful.

The Lake Shore chapter of the National Honor Society is composed of students who have shown the following qualities throughout high school: scholarship, leadership, character, and service.

The Honor Society holds the most impressive assembly during the school year. On March 13 the Honor Society held its assembly for the induction of new members. These new members were chosen on the basis of these four qualifications.

Throughout the year the Honor Society has filled the coke machines and sponsored a dance. The Honor Society has provided a goal for all students to attain during high school.

Officers: Bob Ball, Sue Flower, Bev Maas, Bill Kreis.

This year's Student Council, headed by three senior officers, was unusually active. Among the many new activities sponsored by the council were: Student Activities Board–for analyzing and producing better activities; Disc-jockey–who provided the student body with news and music during the lunch hour; The Bulletin–Student Council news letter for informing and arousing interest in council activities; homeroom reading of minutes. The council continued the annual program of delivering foodbaskets and gift certificates to needy families at Christmas.

The Student Council has initiated a program to bring the council and the student body closer together with the hope that the Student Councils to come will strive for the continuation of this program.

Under the guidance of Mr. Levenson, a new teacher at Lake Shore, the club had a fine year of vigorous debate. The chosen topic for discussion was "Resolved: that the Federal government should provide essential medical care for all citizens at public expense."

The team is a member of Lakeside Debate League. The topic drew a wide variety of opinions as a result of the debates and provided an interesting and controversial question for discussion.

They visited the Model United Nations at the University of Detroit on April 24, 25, 26, 1964.

The sponsors were Mrs. Charbonneau, Mr. Sliss, and Mr. Shippel.

Officers: Tom Damato, Jerry Seay, Larry Shaw, Russ Noyes, Jerry Schwartz.

This year the Varsity Club accomplished many things. They attended a football game at U of M and held a swimming party at Warren High.

To help the financial needs of the Athletic Department, a basketball game was promoted–Varsity Club vs. Faculty. With the proceeds of this game, several sets of weight lifting equipment were purchased for the Physical Education Department.

Under the supervision of Mr. Crellin, the Varsity Club, along with the help of the Explorer Scouts, made provisions for the recreational program at school. The members also served as ushers at basketball and football games.

# G.A.A.

Officers: Cathy Wilson, Linda Unger, Shirley Lightner.

To start off the year right G.A.A. began with the initiation of new members. The new girls were given a warm reception and there was fun for all. Afterwards they had chips and cokes.

The organization also went swimming at the Northwestern Y.M.C.A. The girls enjoyed this so much that they hope to go again.

An event that saddened their hearts was the leaving of their sponsor, Mrs. Brown. As a going away gift, they presented her with a play pen for the new baby.

Their new sponsor, Mrs. Reinhardt, is anxious to go places, so they wait with anticipation the coming activities: bowling, camping, and swimming.

# Varsity Football

The football season of 1964 was not as successful as many of those in the past. The loss of many experienced men and many injuries contributed to our winless record by crippling the efficiency of both offense and defense. Despite the disadvantages, we commanded respect from Bi-county teams by our determination and hard fighting spirit.

Once again the Shorians were supplied with the excellant coaching ability of Mr. Hershiser and Mr. Brown, who kept morale and performance at a maximum inspite of the many disadvantages.

Some of the more outstanding efforts recognized during the season were Art Hill--All Bi-county; Russ Noyes, Taylor Gierczak, and Bruce Holmes--Honorable mention for All Bi-county.

# Junior Varsity and Ninth Grade

Despite the potential of the team plus the coaching combination of ability and experience by Mr. Sheets and Mr. Doane, the Junior Varsity was unable to produce a winning season having a record of 1-6. Comprised of mainly tenth graders, the team, Mr. Sheets believes, will supply next year's Varsity with ample power on both offense and defense.

Again, despite the excellent effort of Mr. Marska's ninth grade team, they turned out a 0-6 record. As was the case in many of our football teams this year, injuries held the performance to a minimum. As was shown in the three close losses to St. Paul, Ottawa, and Harper Woods, the spirit of the team remained undaunted.

# Homecoming

The spirit of the Homecoming began with the week of October 7. Beginning Monday, the nominations of the courts were taken in homerooms. The spirit of the week rose with a bonfire and hootenanny on Friday night. By Saturday morning, the preparation of the field and the gymnasium were coming to a close. Before the game commenced, Lake Shore's first float contest was held. Although all the floats were good, the Seniors' "Victory Express" took the plaque. Despite the fact that the hard fighting Shorians lost the game to Utica with the score of 19-0, the spirit of the week remained. The dance was one of the biggest and most successful in Lake Shore's history with the gym in dazzling green and silver foil, setting the pace for the theme "Emerald Ecstacy." The highlight of the evening was the coronation of the queen, Diane Sikorski, and the first king, Russ Noyes. With the end of the final hour, Homecoming was but a fond memory.

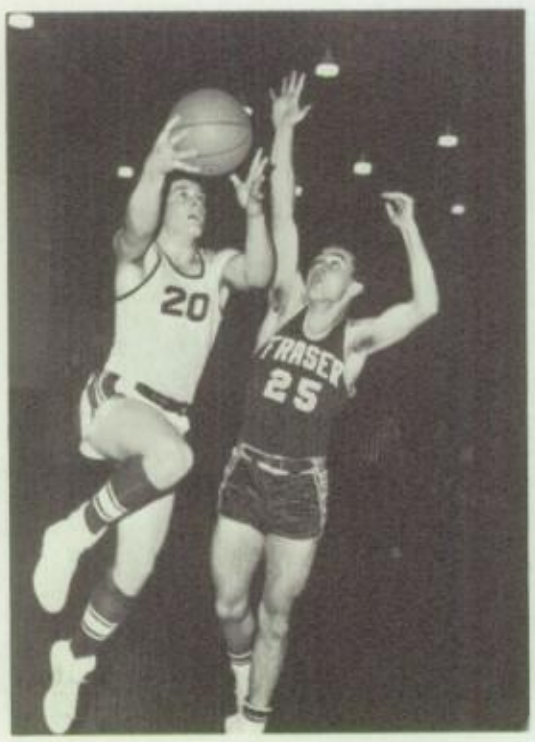
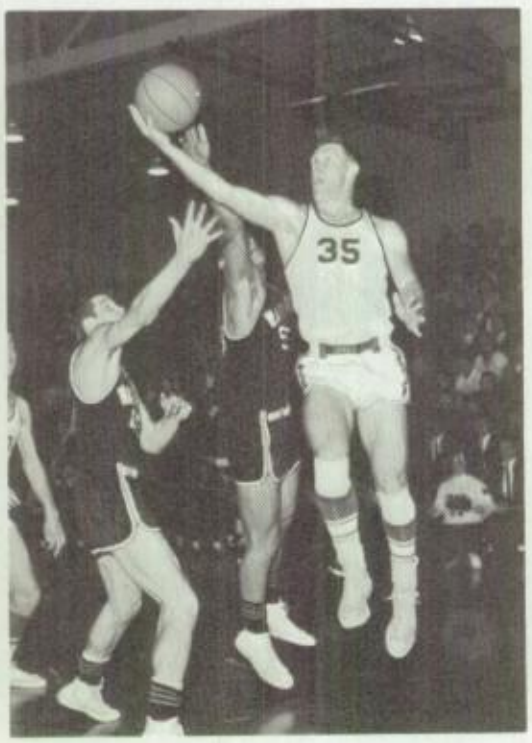
# Varsity Basketball





For the second season in a row, the Shorians have shared the Bi-County crown. Combined with the fine coaching of Mr. McNally, the five starters provided the power that helped turn in a 12-2 record.

Perhaps a second reason for this year's victorious team was the men on the bench who supplied the strength and balance to the starting five. Losing only to Fraser and Lakeview by very slim margins, the Shorians beat not only all league opponents but also all non-league opponents at least once.

Twice the team netted over ninety points in scoring. Russ Noyes broke the individual record for scoring with 49 points in one game.

Chosen to the All Bi-County Team were Russ Noyes, Dan Genereau and Allen Wilcox.

The Varsity Baseball team this year began the season by cutting into non-league opponent St. Paul for its first victory. In the first Bi-County league game the Shorians "breezed" past South Lake. Unfortunately, however, the victorious beginning could not be continued, losing to all other league opponents. The season produced outstanding players such as Dan Genereau who was named to the All-Bi-County Team. The Reserve team produced a somewhat better record ending the season with a 2-3 record. The team, coached by Mr. Garlenski, has produced many players that will be of significant use to the Varsity next season.

# Track

Despite the fine performance shown by many of the individual events, the season ended with a 3-4 record.

Losing its first league meet against Utica, the Shorians bounced back with two successive wins against Fraser and Southlake. Leading in total points again for the second year, Jan Miller picked up 83 points.

In the Bi-County meet held at Utica, Rich Ren picked up a first in the Broad-Jump and was named to the All-Bi-County Team. The team, however, placed only 7th in the final standings.

COACHES: Mr. Brown and Mr. Hershiser.

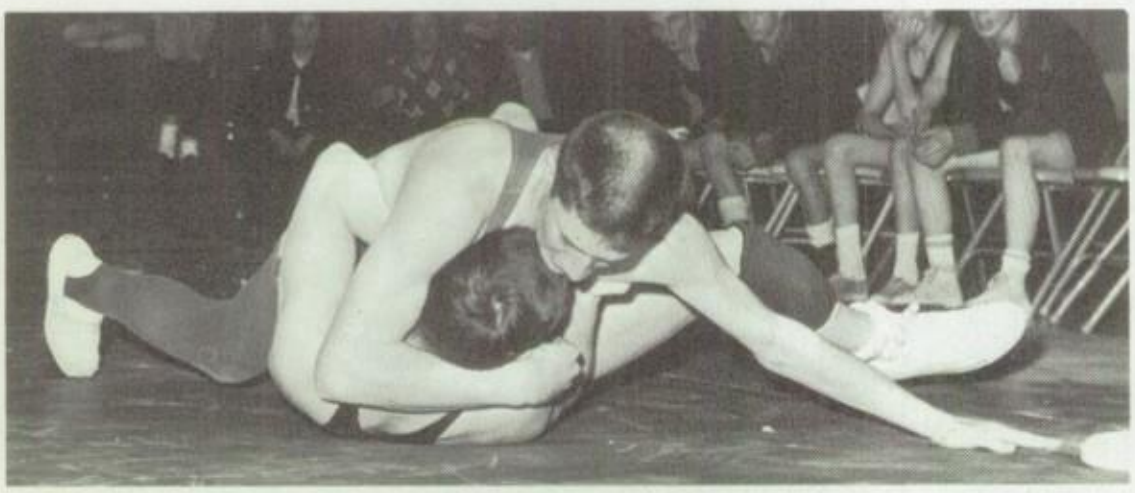
# Cross Country

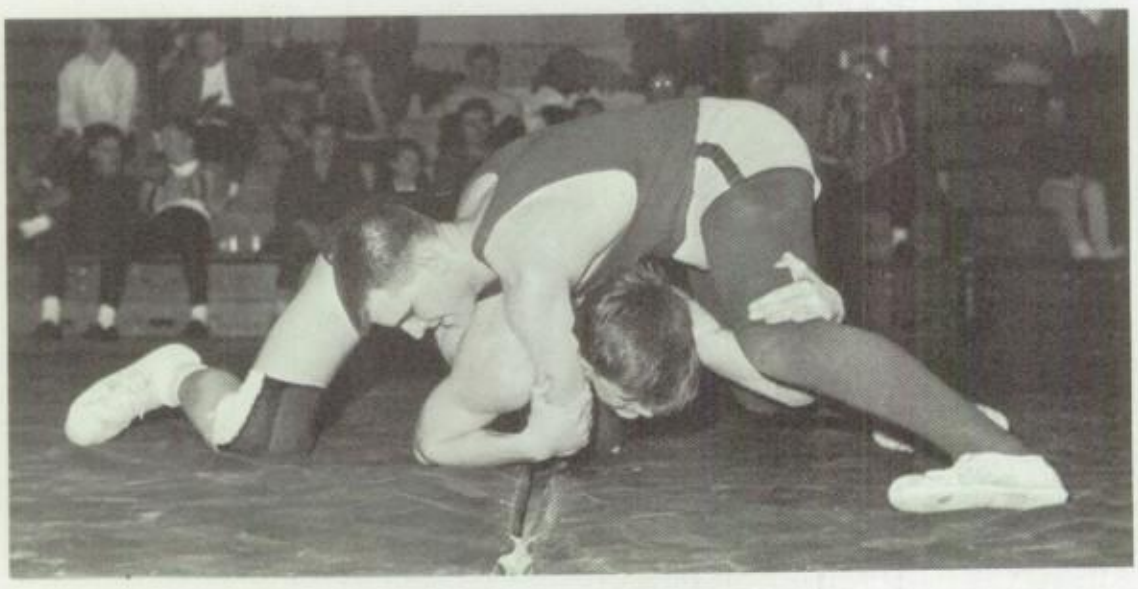
MEMBERS: Phil McHarg, Jan Miller, Tim Dalton, Jim St. John, Mike Aliotta, Rich Scheid, Mike Hachey, Jeff Price, John Birmingham, Steve Wilson.

In its second season the cross country team this year showed a fine turnout. Provided with the coaching and inspiration of Mr. Burgess, the the team made a fine showing. The team won two consecutive meets against Clintondale, but they were less fortunate against other city teams.

Leading the team in total points were the two senior men Jim St. John and Jan Miller.

Playing mainly in non-league competition Coach Burgess hopes for a definite city league sometime in the future.





# Wrestling

Losing ten of its twelve matches, the team, under direction of the new coach, Mr. White, was able to make many fine individual performances. The team this year was comprised mainly of underclassmen who showed their ability and promise.

Winning against the top teams in the league, Warren and Lakeview, was an additional boon considering the inexperience of the team.

MEMBERS: Tom Sawasky, Ron Morgan, Dennis Dean, Ralph Fotherby, Bill Bradshaw, Norm Chastain, Jim MacArthur, Perry Bocson, Mark Denske, Bob Carriere, George Stevenson, Dennis O'Keefe.

JOHN FITZGERALD KENNEDY

1917–1963

He, who loved the freedom of the wind in a sail, is gone; but the memory of his love for all freedom will sail on.

"I must go down to the seas again,
To the lonely sea and the sky, . . ."
John Masefield
